

Goin Down Hard

Ted Nugent

You're goin' down

Hey

Come on

Hey didn't ya see me comin
Ya gotta let the bigdogs run
Who do ya think you're foolin baby
Ya know I'z deadnutz on
Scream all ya wanna baby
Ya know it's a goddam shame
Back to back in the midnight hour
Told ya it's a hi-stakes game

Why did ya do it baby
Ya know it just brings the pain
Frozen in the headlights baby
Hit ya like a big freight train

You're Goin down hard
Pay the price insanity
Goin down hard
Face the truth it will set ya free

Life is a torture chamber
If ya let it git ya down
I'm dancin with the devil baby
The boyz are back in town

Goin down hard
Pay the price insanity
Goin down hard
Face the truth it will set ya free
Goin down hard
Gotta pay the price insanity
Goin down hard
Goin down real real hard

Goin down hard
