

Hammerdown

Ted Nugent

Aww go ahead, Ted

Beats in the street and I'm coming
Dead headed over the map
Highway trains keep on runnin'
Sneakin' right through the traps

White line
Double time
Come around with a hammerdown

Hammerdown
Hammer

Last night saw me in Detroit
Home town boy lookin' good
Ride like we stink in the daylight
Play rock and roll like I should

White line
Double time
Come around with a hammer, hammer, hammer hammerdown

Hammerdown
Hammerdown
Hammerdown
Hammer

Thousand gigs in Chicago
Never played Delaware
There are places where I'll go
I fly by night, love affair

White line
Double time
Come around with a hammer, hammer, hammer hammerdown

Hammerdown
Hammerdown
Hammerdown
Hammer

Last night saw me in Detroit
Home town boy lookin' good
Ride like we stink in the daylight
Play rock and roll like I should

White line
Double time
Comin' 'round with a hammer, hammer, hammer hammerdown

Hammerdown
Hammerdown
Hammerdown
Hammer

Hammerdown

Hammerdown
Hammerdown
Hammer...
