

I Am a Predator

Ted Nugent

1, 2, 3, 4...

I am a predator
I am a predator
That's one thing for sure
I am a predator
You better lock your door
I am a predator

I am a predator
I am a predator
Yeah, one thing for sure
I am a predator
You better lock your door
I am a predator

I am a predator (he is a predator)
I am a predator (he is a predator)
That's one thing for sure
I am a predator (he is a predator)
You better lock your door (ooh ooh ooh)
I am a predator

I am a predator (he is a predator)
I am a predator (he is a predator)
That's one thing for sure
I am a predator (he is a predator)
You better lock your door (ooh ooh ooh)
I am a predator

I am a predator (he is a predator)
I am a predator (he is a predator)
Eh eh eh eh, yes I am... predator (he is a predator)
You better lock your door
I am a predator
