

# I Gotta Move

Ted Nugent

The first time that I met you  
I knew that you needed it bad  
Yeah the first time that I met you  
I knew that you needed it bad

But I'm so long  
So long  
Bye bye

I gotta move  
I gotta move  
I gotta move, baby  
I gotta move

The first time that you had me  
You knew that I wanted it bad

Yeah first time that you had me  
You knew that I wanted it bad

But I'm so long  
So long  
Bye bye

I gotta move  
I gotta move  
I gotta move, baby  
I gotta move  
So long!

[guitar break]

I gotta move  
I gotta move  
I gotta move, baby  
I gotta move  
So long!
