

# I Take No Prisoners

Ted Nugent

Alright...

Nobody better mess with me  
I got a nasty disposition  
Nobody better cross my path  
I got a killer's intuition

Look at me with a ounce o'skin  
You know that I ain't messin'  
I'm on the run with a loaded gun  
I got a Smith & Wesson

I'm gonna take no prisoners  
I'm gonna take no prisoners  
I'm gonna take no prisoners  
Take no prisoners  
No, no

You better run, you better hide  
Show a little gratitude  
You better run, you better hide  
I got a brand new attitude

Take no prisoners  
I'm gonna take no prisoners  
No way...

Come on...

Take no prisoners  
Take no prisoners  
I'm gonna take no prisoners
