

No, No, No

Ted Nugent

There I was just a young white boy
Lots of time on my hands
I was on my own, not in love
Willing just to take a chance
There she was just a sweet young thing
Moonlight in her hair
Sweet young thing
I made my move and came on strong
She acted kinda scare

She said: no, no, no
No, no, no
She said: no, no, no
She said: na, na, na, na, no

Well, here she comes with a smile on her face
She got that twinkle in her eyes
She made her move so desperately
The little girl's too much shy

She said: no, no, no
No, no, no
She said: no, no, no
She said: na, na, na, na, no

The tables turned, she came on strong
An evil look was in her eyes
She grabbed and kissed, there's something wrong
She wanted me to spend the night

But I said: no, no, no
No, no, no
I said: no, no, no
I said: na, na, na, na, no

I said: no, no, no
No, no, no
I said: no, no, no
I said: na, na, na, na, no...
