

Put Up or Shut Up

Ted Nugent

1,2...1,2,3,4...

Terror and outrage is your motivation
Misery and sorrows, no consideration
Bitch and piss, moan and groan
Got you nowhere fast
Bitch and scream, slit her wrist
This breath may be your last

Put up or shut up
Put up or shut up

Can't you see that it's all in vain
Drivin' a dead-end street
Beat your head against the wall
[?]
