

The Flying Lip Lock

Ted Nugent

Well, I sure do like to boogie
Sure do like to rock
But when it's time to wango tango
I do that flying lip lock

Well, I sure do like to boogie
Sure do like to rock
But when it's time to dance all night
I do that flying lip lock (uh)

Well, my dad's gone out of business
Sold every band in stock
I retained his secretary
And I showed her that flying lip lock (and she liked it)

She do that lip lock baby, lip lock
Lip lock baby, lip lock
Lip lock baby, lip lock
Lip lock baby, lip lock
Sure like to boogie, sure like to rock
My little baby's the queen of the flying
Lip lock baby, lip lock
Lip lock baby, lip (how how ho)

She do that lip lock baby, lip lock
Lip lock baby, lip lock
Lip lock baby, lip lock
Lip lock baby, lip lock
Sure like to boogie, sure like to rock
My little baby's the queen of the flying
Lip lock baby, lip lock
Lip lock baby, lip

Lip lock baby, lip lock
