Wang Dang Doodle

Pissin' in the wind, screamin' in the night
I don't give a damn, treat my baby right
Heard it on the phone, say it all again
I ain't pussywhipped, the bitch is my friend

Wang Dang Doodle

Hallelujah baby, grab you by the balls
Have a freakin fit, sure we'll bring her home
Bitch has got the power, bitch has got control
Witching is the hour, and fuckin rock'n'roll

Wang Dang Doodle

Wang Dang Doodle

Oh my fuckin God, here she comes again
Pretty little bitch, want to be my friend?
Devil of the street, breakin up above
Wango little bitch, grabbing for my love
