

Get Out My Way

Tedashii

It's no days off (It's no days off)
I take no breaks (I take no breaks)
You in my lane (Get out my lane)
You in my way (Get out my way)
You crossed that line (You crossed that line)
It ain't yo' day (It ain't yo' day)
I lost my mind (I lost my mind)
I need my spa-a-a-ace

Get out my way (Yeah)
Get out my way (Yeah)
Get out my way (Woo)
Get out my way (Ugh)
Get out my way (Move)
Get out my way (Yeah, skrt, skrt)
Get out my way (Woo)
Get out my way (Well)
I ain't never been safe

Move

Black Forgiatos on the tires got me sitting high like a gladiator
Life on the line, cross the state line, straight face when I navigate it (Sk
rt)
You don't know about the fast life
I got scars from my last fight
Ice water in my bloodstream from some old things in my past life
This is not what you wanted, you wanna be hunted, no turning back and runnin
g from it
It's one and done, you better run it
You taste the fear to overcome it (Yeah)
You can't tell me nothing else, been seven summers running through the jungl
e
Everyday a struggle
People throwing stones and tryna make us stumble
Rose up out the rubble, tell 'em they'd get trouble

So all y'all back up (Back up, back up)
Or go call backup (Or go call backup)
I just got knocked down (Yeah, uh)
I still got back up (I still got back up)
It's no days off, boy (It's no days off)
I take no breaks (I take no breaks)
I lost my mind
I need my spa-a-a-ace

Get out my way (Yeah)
Get out my way (Yeah)
Get out my way (Woo)
Get out my way (Ugh)
Get out my way (Move)
Get out my way (Yeah, skrt, skrt)
Get out my way (Woo)
Get out my way (Well)
I ain't never been safe

Ain't nobody blocking, they can't stop me, I'm on ten
Ain't no other boxing, they just copy what I did

Get out my way (Move)
Get out my way (Yeah, skrt, skrt)
Get out my way (Woo)
Get out my way (Well)
I ain't never been safe

Never fold when you face pain and they take aim like a movie shoot
No vest when they draw lines, I be off-size feeling bulletproof
Use my past like a flashback
Overcome, moving past that
Moving on, let the Audi run on the Autobahn, where the gas at?
Gettin' to it, yeah, I'm gettin' to it
Took a lot of hits, but I'm gettin' through it
You could make it or could make excuses
Choice is yours, I can't make you choose it
Came from nothing, but I got adopted
Treat this in condition like a Maserati
All up in the zone, it's like it's out of body
Yeah, they got away, but my splash tsunami, ah!
I did no go, I don't know chill, say what I want
That's how I feel, I'm 'bout to fall, I keep it trill, this be that glow
Shine be too real, they wanted smoke until they breathing mine
Second-hand smoke, I defunct, I get down
I'm showing proof to give people a sign
I keep on running 'til the clocks say it's time

It's no days off (No days off)
I take no breaks (Take no breaks)
You in my lane (In my lane)
Get out my way (Get out my way)
Crossed that line (Crossed that line)
It ain't yo' day (It ain't yo' day)
I lost my mind (I lost my mind)
I need my spa-a-a-ace

Get out my way (Yeah)
Get out my way (Yeah)
Get out my way (Woo)
Get out my way (Ugh)
Get out my way (Move)
Get out my way (Yeah, skrt, skrt)
