Tedashii

Looking for the shade where the trees are dead
Trying to find my way to the peace inside
Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh-oh
Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh-oh
Walking down this road 'til I'm home

Please take the things that bring hurt
Grief, they told me greed won't bring worth
I heard that, never learned that
Foolish of me not to turn back
It's easy 'cause you see the real me
The cost of my soul, is it worth that?
I'm skating on thin ice (Yeah)
And my hope is within Christ (Yeah)
I can't take a step without struggle (No)
Each time it's like playing dice (Yeah)
Pressure keep pressing me now (Uh)
By now I should have been drowned (Should've)
Somehow I keep walking on water (On water)
Your love, it won't let me down (Let me down)

This world is deaf, You gave me breath, told me I'm blessed
I try my best, God I confess, I need your help
You gave me Your love (Gave me Your love)
Not what I deserve (Not what I deserve)
I can't waste another day, tell the world I had enough
I'm coming home

Looking for the shade where the trees are dead
Trying to find my way to the peace inside
Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh-oh
Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh-oh
Walking down this road 'til I'm home

Asking myself what I've done
Blew it all having fun
Feeling trapped like my brother
My freedom, it cost every one
Got a debt that I can't pay
Deserve that is what they say
God don't take what I can't take (Please)
God don't hear what I can't say
Alone in the silence of my decision
I roll like an iPhone without a signal
No home and outside that, that's my position
So know that I got it, the trough the pigs in
Enticed by a dream that you'll never see
Think twice 'cause they scheme as you stay asleep
Thin lies you can see but can't read between
In time, chasin' pills was the end of me

This world is deaf, You gave me breath, told me I'm blessed
I try my best, God, I confess, I need your help

You gave me Your love (Gave me Your love)
Not what I deserve (Not what I deserve)
I refuse to waste a day, tell the world I had enough
I'm coming home

Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh
Until I'm, until I'm home
Oh-oh-oh, oh-oh-oh
Walking down this road 'til I'm home

Hid from Your face
'Cause I felt fake
You see my mistakes
And still You give grace
Enticed by my friends
Enticed by the end
I'll take it back if I could
To be home again

I'm fighting, I'm fighting for hope
I'm trying just don't let me go (Oh-oh-oh, oh-oh-oh-oh)
I need You now more than before
Until I'm, until I'm home

Oh-oh-oh, oh-oh-oh-oh
I'm coming home, I'm coming home
Oh-oh-oh, oh-oh-oh
Until I'm, until I'm home
Until I'm, until I'm home
Until I'm, until I'm home
Walking down this road 'til I'm home
