

# Jumped out the Whip

Tedashii

Aye, yeah, yeah, yeah, yeah  
Aye, yeah, yeah, yeah, yeah

Jumped out the whip on 'em  
You know how I get homie  
I'm too strong for these thug brothers  
Too smooth for these rough cutters  
Tryna be me my whole life  
But I get caught up with that old life  
Yeah, you know how the thinkin' go  
But I'm 'bout to get it on tonight  
Hold tight, hold tight, whole squad with me  
You seein' them, you seein' me, man it's the same difference  
Unashamed, unashamed, no we ain't changed  
Ok, your boy might be a little different  
Go hard, like concrete, oh Lord  
When you tell me I be in these streets, yeah  
Get it poppin', quick, quick, quick  
That's the feelin' jumpin' out the whip

Jumped out the whip, now we ain't got no problems  
'Bout to get lit, ain't nothin' that gon' stop us  
They can feel it but they all in they feelings  
They can get it, tell 'em all better get it  
They can feel it and it's all alright  
They can get it, get it yeah, yeah, yeah  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
And I jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Man, I jumped out the whip

Jumped out the whip on 'em  
I'm bein' me, I'm the one and only  
Steppin' out so clean, ain't a stain on me  
Ooh it's goin' down, and now they know  
Swingin' hard like I'm Andre Ward  
Make it slow, tell 'em press record  
I ain't playin' around  
Yeah, yeah, they givin' up but I'm stayin' down  
Get it right, man I'm gettin' to it  
Why we livin' and flippin' in it, this is why we do it  
Malo lava, malo lava, man it's so good  
And I'm jumpin' out the whip to prove it  
Shine on 'em, yeah, man we shine on 'em  
Every time, wastin' time, ain't got time for it  
Whip clean, my whip clean  
I ain't ridin' dirty, man I'm pristine jumpin' out the whip

Jumped out the whip, now we ain't got no problems  
'Bout to get lit, ain't nothin' that gon' stop us  
They can feel it but they all in they feelings  
They can get it, tell 'em all better get it  
They can feel it and it's all alright

They can get it, get it yeah, yeah, yeah  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
And I jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Man, I jumped out the whip

They say that you did it, you jumped out the whip  
Know you can feel it, you jumped out the whip  
Swag on a milli, you jumped out the whip  
How you gon' get it, you jump out the whip  
Tell 'em this is how we roll  
Jumpin' out the whip, this is how it goes  
From the Bay to the A, H-town where I'm from  
Tell 'em dog, it's time to get it on

Jumped out the whip, now we ain't got no problems  
'Bout to get lit, ain't nothin' that gon' stop us  
They can feel it but they all in they feelings  
They can get it, tell 'em all better get it  
They can feel it and it's all alright  
They can get it, get it yeah, yeah, yeah  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
And I jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Jumped out the whip  
Aye, yeah, yeah, yeah, yeah  
Man, I jumped out the whip
