Need you in my life, yeah, I need you in my life (Oh-oh)
Need you in my life, yeah, I need you in my life (Yeah)
Need you all the time, yeah, I need you all the time (Ayy)
Need you all the time, yeah, I need you all the-

I found my solution, I know you the truest
You the best to do it, love the way you movin'
Say that you'll never leave (Ayy, ayy, yeah)
Say that you wanted me (Ayy, ayy, yeah)
You got what I need, need, need
Come and vibe with me, me, me
We can take it where you wanna go (Can take it where you wanna go)
If you're ready, baby, let me know

And even if it all goes sideways
I'll be right beside you always
I belong with you
I belong with you, baby
I don't want nobody else
Finally got you all to myself
I belong with you (I'm with you, yeah, yeah)
I belong with you (I'm with you, you), baby

You're like the diamond I put in a ring
You always shinin' and keepin' yourself up (Talk to 'em)
I've been feelin' like we surfin'
The way that you balance out, it may be perfect (Surf)
I was sleepin', never workin'
'Til you came and showed me how to find my purpose (Yeah)
I gave you my all and you ain't never hurt me
For me, girl, you worth it, I'm fightin' off serpents
I gave you a chance (Give me that)
You never let me down
I gotta celebrate and do my dance
Show upper echelon, so you propel us and we may never land
I'm on the run now, you can keep a deal
I don't need no advance (Runnin' man), with you hand in hand

And even if it all goes sideways
I'll be right beside you always
I belong with you
I belong with you, baby
I don't want nobody else (I don't want it)
Finally got you all to myself (I got you)
I belong with you (I'm with you, you, you, you)
I belong with you (I'm with you, you), baby
Think I found a home inside your eyes
If I got to love, I'll be alright
I belong with you (I'm with you, you, you, you)
I belong with you (I'm with you, you), baby

Need you in my life, yeah, I need you in my life (Woo, woo)
Need you in my life, yeah, I need you in my life
Need you all the time, yeah, I need you all the time (I need you)
Need you all the time, I need you, I need you (I need you)
