

# Bitter

Teddy Geiger

Minutes  
Turn into hours  
And hours  
Bleed into days  
It's been years now  
Since the trouble  
You left me  
And I wanna say

I'm not bitter  
But I've seen  
Better days  
I'm not bitter  
Is it  
The better man  
That always  
Walks away

No phone call  
Or even a letter  
No words  
To cause me any pain  
It's been years now  
Since anything  
Could hurt me  
And through this life  
I think my way

I'm not bitter  
But I've seen  
Better days  
I'm not bitter  
Is it  
The better man  
That always  
Walks away?  
Watch me walk away

I'm not bitter  
But I've seen  
Better days  
I'm not bitter  
I'll be  
The better man  
Watch me walk away

Watch me walk away  
(I'm not bitter)  
Watch me walk away  
(I'm not bitter)  
Watch me walk away
