

# Coming Through In Stereo

Teddy Geiger

You say  
Your gonna go far  
With your new tattoo  
And an old guitar  
Why waste  
Another lonely  
When you can live  
Your life  
Like a  
Rock and roll star

Turn up  
That radio song  
Keep it on while  
It's coming  
In strong  
Were coming  
Through in stereo  
Don't look back  
It's here we go

Now you wake up  
In a brand new town  
We play that song  
To a brand new crowd  
With the melody  
They sing  
"Yeah  
There's not  
Stopping us now"

Turn up  
That radio song  
Keep it on while  
It's coming  
In strong  
Now were coming  
Throught in stereo  
Don't look back  
It's here we go  
Turn up  
That radio song  
Keep it on while  
It's coming strong  
Were coming  
Through in stereo  
Don't look back  
It's here we go

Turn up  
That radio song  
Keep it on while  
It's coming  
In strong  
Now were coming  
Throught in stereo  
Don't look back

It's here we go  
Turn up  
That radio song  
Keep it on while  
It's coming strong  
Were coming  
Through in stereo  
Don't look back  
It's here we go  
Were coming  
Through in stereo  
Don't look back  
It's here we go  
Here we go  
Here we go
