

# For You I Will (Confidence)

Teddy Geiger

Wandering the streets, in a world underneath it all  
Nothing seems to be, nothing tastes as sweet  
As what I can't have  
Like you and the way that you're twisting your hair  
round your finger  
Tonight I'm not afraid to tell you  
What I feel about you.

I'm gonna muster every ounce of confidence I have  
and cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will

Forgive me if I st-stutter  
From all of the clutter in my head  
Cause I could fall asleep in those eyes  
Like a water bed  
Do I seem familiar, I've crossed you in hallways  
a thousand times, no more camouflage  
I want to be exposed, and not be afraid to fall.

I'm gonna muster every ounce of confidence I have  
And cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
You always want what you can't have  
But I've got to try  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will  
For you I will  
For you

If I could dim the lights in the mall  
And create a mood I would  
Shout out your name so it echoes in every room, yeah

That's what I'd do,  
That's what I'd do,  
That's what I'd do,  
To get through to you

I'm gonna muster every ounce of confidence I have  
And cannon ball into the water  
I'm gonna muster every ounce of confidence I have  
For you I will  
You always want what you can't have  
But I've got to try  
I'm gonna muster every ounce of confidence I have  
For you I will  
For you I will  
For you I will  
For you I will
