

# Gentlemen

Teddy Geiger

I was blinded by the lights  
I saw the reflecting in their eyes  
It blinded me from the sea  
Of everybody's smiles  
And I was young and best  
So I'd thought I'd test the night  
Yeah I thought that we can leave before the lights fell down  
I wasn't listening  
So carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..  
Carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..  
We left after dark, the sun had fallen for the moon and all the moments race  
It's going way too fast its way too soon  
So I sat alone  
Just for a moment they came back and now I'm stuck right here  
Reeling in the slack now from my previous nights

So carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..  
Carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..

Deliver me now from everything we should not do..  
It's so unpredictable  
But still you know just what you're gonna do  
And even no more is there for a flag  
Something is different even though it's hard to meet that it wasn't listening

So carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..  
Carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for..

I stand for something  
I stand for something  
I will stand for something yeah  
So carry on young young gentleman  
I have done all that I can  
I have done all that I'll stand for, yeah
