

Great Escape

Teddy Geiger

You promised me
You'd always be around
To pick me up
When I run down
To help me
When my day is busted
But there's no one now
Who can be trusted

Are you ever coming back
Or is nothing built to last
Isn't it something how
You vanished in the haze
Isn't it something how
You left me in your way
When you made
Your great escape

I always though
You'd always be around
But I'm the fool
Who thought
You'd never let me down

Were you trapped
Inside a cage
Planning your get away
Isn't it something how
You vanished in the haze
Isn't it something how
You left me in your way
When you made
Your great escape
When you made
Your great escape
When you made
Your great escape
