Teddy Geiger

Today the air came alive
With a melody lost from an innocent time
Where every color of sound
Kept me coming back home to my heart
Take me home

I've been afraid but I'm ready to go
Yeah, I'm ready to know what it's like to come home
I've been afraid but I feel in my bones
Ooh, I'm ready to go
Take me home

Alone is more than enough
To witness the distant sky guide me home
Where the old voice in my head is young again
And tomorrow is better than yesterday
Whoa

I've been afraid but I'm ready to go
Oh, I'm ready to know what it's like to come home
I've been afraid but I feel it in my bones
Oh, I'm ready to go
Take me home

Face on the coast, life that I own
Singing while I gather dreams from the fountain
Just with the head pulling me back out of my head
The only home I've known

I've been afraid but I'm ready to go
Ready to go, ready to go
I've been afraid but I feel it in my bones
Oh, I'm ready to go
Take me home
Take me home
