Loser

Teddy Geiger

Know I'm just what I am
Know I'm just what I am

You were right
You were saying all along
You were telling me
I know I'm no good for you
I saw you with a friend
I know I know
I'm no good for you, no
You were right, you sayin' all along
You were telling me
I know I'm no good for you

You see right through me
See what I could be
You see right through me
See what I could be
No
I'm a loser
I'm a loser
I'm a loser

I'm loser
Faggot loser

I miss you
