

## She's On My Mind

Teddy Geiger

Goin on missing my baby  
Haven't seen her that much lately  
and though she seems unchanged by time  
She's not even sayin' hello  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her in my life  
But she said goodbye  
Yeah, yeah  
She said goodbbye  
Yeah, yeah  
I don't think she knows  
What she's doin to me  
When she said goodbye  
Well she runs from the sound of my feet on the ground  
And she screams when I cried out loud  
When I cried out loud  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her in my life  
But she said goodbye  
Yeah, yeah  
She said goodbye  
She said goodbye  
I think about it all the time  
She's on my mind  
I wish I had her on my life  
But she's in my mind  
Yeah, yeah  
She's on my mind  
Yeah, yeah
