

Stars And Clouds

Teddy Geiger

Well I don't feel it anymore,
but I don't think that I lied before
I understand that you might be hurt
and never meant to bring me down

I look at the stars and they make me feel fine
You can not be the stars and clouds I see
You can not be the stars and clouds I see
I don't think anyone can ever be
I don't think anyone can ever be
No I don't think
That I'll get angry if you say I'm wrong
It's only that I don't believe myself
And I've got friends who tell me so
Yeah, I'm falling inside

I look at the stars and they make me feel fine
You can not be the stars and clouds I see
You can not be the stars and clouds I see
I don't think anyone can ever be
I don't think anyone can ever be
