

## Elevators

Teddy Hyde

I'm leaving home once again  
Hoping to find what I love  
I'm leaving home once again  
Hoping to find what I...

I'll lay once again  
Sleep once again  
Sleep once again

I'm leaving home once again  
Hoping to find what I love  
I'm leaving home once again  
Hoping to find what I love  
I'm leaving home once again  
Hoping to find myself  
I'm leaving home once again  
Hoping to find myself

I'll lay once again  
Sleep once again  
Sleep once again  
Sleep once again
