

Ugly

Teddy Hyde

In the light of the dance
Lives the plight of a man
Can he bound around the hound?
In the dark of their sway
Is a dog and his prey
Which a hand cannot command

One under the sun
Everything he sees
Laid out in rays
Sway as he may
He is lesser than one
Greater than none

Two under the roof
Two stuck in a room
Wall ball causes a fall
Do walls need to be there at all?

One never done
Ordering a will
Faith ever in fear
Steer into an ache
Living is a war
One never won
