

# Don't You Ever Stop

Teddy Pendergrass

D-d-d-don't ever  
D-d-d-don't ever  
D-d-d-don't ever stop  
Don't you keep your love away from me

Everytime I think about your good good loving  
Oh my head just start to spin around and around  
Came and stole a heart that needed nothing, no  
Now I got to need know exactly what's going down  
Something strange happens when you walk in the room  
Don't know what it is

Don't you ever stop  
Don't you take you love away  
Don't you ever stop  
Nah don't do it  
Don't you take you love away from me

When we started out  
Who that we would be lovers

Then you

How was I to know that  
Now you got me girl, there's no place I can go

Don't you ever stop  
Don't you take you love away  
Don't you ever stop  
I don't know what I would do  
Don't you take you love away from me

Something strange happens when you walk in the room  
Don't know what it is  
Now you got me girl  
Your love is

Don't you ever stop  
Don't you take you love away  
Don't you ever stop  
Don't you take you love away from me
