

# Let Me Love You

Teddy Pendergrass

Mmmmm ... Mmmmm... Yeah... Mmmmm... Yeah  
Yeah, Yeah Mmmmm... Yeah... Mmmmm... Yeah, Yeah

Baby I just don't get it  
Do you enjoy being hurt?  
I know you smelled the perfume, the make-up on his shirt  
You don't believe his stories  
You know that they're all lies  
Bad as you are, you stick around and I just don't know why

If I was ya man (baby you)  
Never worry bout (what I do)  
I'd be coming home (back to you)  
Every night, doin' you right  
You're the type of woman (deserves good thangs)  
Fistful of diamonds (hand full of rings)  
Baby you're a star (I just want to show you are)

You should let me love you  
Let me be the one to give you everything you want and need  
Baby good love and protection  
Make me your selection  
Show you the way love's supposed to be  
Baby you should let me love you, love you, love you

Listen  
Your true beauty's description looks so good that it hurts  
You're a dime plus ninety-nine and it's a shame  
Don't even know what you're worth  
Everywhere you go they stop and stare  
Cause you're bad and it shows  
From your head to your toes  
Out of control, baby you know

If I was ya man (baby you)  
Never worry bout (what I do)  
I'd be coming home (back to you)  
Every night doin' you right  
You're the type of woman (deserves good thangs)  
Fistful of diamonds (hand full of rings)  
Baby you're a star (I just want to show you, you are)

You should let me love you  
Let me be the one to give you everything you want and need  
Ooh Baby good love and protection  
Make me your selection  
Show you the way love's supposed to be  
Baby you should let me...

You deserve better girl (you know you deserve better)  
We should be together girl (baby)  
With me and you it's whatever girl, hey!  
So can we make this thing ours?

You should let me love you  
Let me be the one to give you everything you want and need  
Baby good love and protection

Make me your selection  
Show you the way love's supposed to be  
Baby you should let me love you

Let me be the one to give you everything you want and need  
That good love and protection  
Make me your selection  
Show you the way love's supposed to be  
You should let me love you  
Let me be the one to give you everything you want and need  
Good love and protection (protection)  
Make me your selection (selection)  
Show you the way love's supposed to be yeah

Let me love you that's all you need baby
