

# My Father's Child

Teddy Pendergrass

There comes a time  
When a man has to answer  
For the things that he's done  
No one to, no one can answer to  
No one but the Man up above

See I have to live my life  
But when it's all said and done  
No matter what no one says

I'm still my Father's child  
Oh yes, I am  
And I know He'll take good care me

I'm still my Father's child  
Oh yes, I am  
I know, I know that He will  
Take good care of me

When I'm alone  
And I need someone that I can talk to  
I hold, I hold out my hand  
And I know I can say  
I can say anything that's on my mind  
Oh yes, I can, alright

See when things are going wrong  
And there's trouble in my life  
See I call out His name 'cause I know

I'm still my Father's child  
Oh yes, I am, alright  
And I know He'll take good care me

See, I'm still my Father's child  
Oh yes, I am  
I just wanna testify  
He will, He will  
Take good care of me, oh yeah

Anything I can ever need, that He's there  
My Father, my Father  
He carries me on His shoulder  
And when I'm weak  
He lifts me up, lifts me up

'Cause I'm still my Father's child, oh yeah  
And I know that He's a part of me  
No matter what I do, no matter what I say  
I know, I know that He will  
Take good care of me

I'm my Father's child, oh yeah  
I'm still my Father's child  
Even when I'm up and even when I'm down  
I'm still my Father's child, oh yeah  
All I have to do is say

Father, Father

Father's child, Father, Father

Father's child, Father's child

Father's child
