

No One Like You

Teddy Pendergrass

Oh babe, oh babe
I remember long ago
The very first time I laid eyes on you
The smile on your face
Baby I knew, I've fall in love with you
You are so rare
No could ever compare
Darling you, you came and brought
So much joy

(No one like you) no one like you
(That could do the things you do)
(No one like you)
Baby no one
Nobody like you

You've touched my life in so many ways
Ways you could never imagine
You stuck by me through thick and thin
And you, you never once commplain
You give me more love than I ever know
Darling why, do you think
I smile when I see your face, see your face

(No one like you) nobody like you
(That could do the things you do)
(No one like you)
Baby no one
There's nobody like you

Oh girl, see all because of you
My whole world changed
If had to build my life
Forever, forever

(No one like you) nobody like you
(That could do the things you do)
(No one like you)
Baby no one
There's nobody like you
