

So Sad The Song

Teddy Pendergrass

I know that we both talked it over and said that it's best to forget
And we'll leave all our memories behind us, it's better ended and yet
So sad the song of two empty lives when that moment of truth suddenly arrives

Together, we belong together.
Never was that one lovely word easier to say.
So sad the song of just remembering when knowing the love of your life
Will never come again.

Ever on that you can rely.
So would it be wrong to give our love just one more try (my darling')

And yet, so sad the song of what might have been
You see a lifetime of dreams scattered in the wind

Together, we belong together
And I'll love you for one lovely word easier to say.
So sad the song of just remembering when knowing the love of your life
Will never come again.

Ever on that you can rely.
So would it be wrong to give our love just one more try (my darling')
So sad the song that says goodbye.
