

It Ain't Easy

Teddy Swims

It ain't easy, baby
Since the day came around (Since the day came around)
Ooh, I'm scared I'll find a way
Find a way to let you down

Mm, what do I do with all these real hard feelings?
Ruining my mind when I'm awake and I'm sleeping
Not like me to let somebody be my high and my weakness

It ain't easy to love you
Feels so good, I think my heart could break
I know I'm up against it
Oh, but I can't help it just how much I need you, babe
It ain't easy to love you
Feels so good, it's more than I can take
I swear it does my head in
Knowing any second you could turn and walk away
It ain't easy, baby
It ain't easy, babe
It ain't easy babe

Oh, I miss your face
Every time that I blink
Love you more than yesterday
Tomorrow, I'll be saying the same damn thing

So what do I do with all these real hard feelings?
Thinking all night, and you know you're the reason
Ain't like me to let somebody be my high and my weakness

It ain't easy to love you
Feels so good, I think my heart could break
I know I'm up against it
Oh, but I can't help it just how much I need you, babe (Just how much I need you, babe)
It ain't easy to love you
Feels so good, it's more than I can take
I swear it does my head in
Knowing any second you could turn and walk away
It ain't easy, babe
It ain't easy, babe
It ain't easy, babe

It ain't easy, babe
It ain't easy, babe
It ain't easy, babe

It ain't easy, babe
It ain't easy, babe, it ain't easy, babe

It ain't easy to love you
Feels so good, I think my heart could break
I know I'm up against it
Oh, but I can't help it just how much I need you, babe
It ain't easy to love you
Feels so good, it's more than I can take (Mm, it feels so good)
I swear it does my head in

Knowing any second you could turn and walk away
It ain't easy, baby

It ain't easy, babe
It ain't easy
