

Not Your Man

Teddy Swims

Girl, I guess you're doing me a favor
Melt my armor down to chains and bolts
Love to you's a synonym of danger
Gas can light a flame with no remorse

Don't know why I let this go, go on for so long
Fake tears, they never stain quite like the real ones
Pick a time you wasn't lying, bet you couldn't name me one
Name me one

If you can just leave me in the dead of the night
If you can deceive me, lookin' dead in my eyes
You don't have to say it, baby, I understand
That I'm not your man
No, I'm not your man

This ain't how you treat somebody you say you love
I gave you everything, it still ain't enough
You don't have to say it, baby, I understand
That I'm not your man
No, I'm not your man

Once or twice ain't nothin' but a number
But don't say that you're sorry now
If I knew what it was, I would've been done, gave you up
There ain't no crawling back, I shut that down

Don't know why I let this go, go on for so long
Fake tears, they never stain quite like the real ones
Say a time you wasn't lying, bet you couldn't name me one
Name me one

If you can just leave me in the dead of the night (Dead of the night)
If you can deceive me, lookin' dead in my eyes
You don't have to say it, baby, I understand (Well, I understand)

Oh, I'm not your man, yeah
