

# She Got It

Teddy Swims

Oh, oh

Walk this walk, you need no boots  
I see myself each time I look at you (She's got it)  
Everything that I need (She's got it)  
Always been so good to me (She's got it)  
Now show me how you do it (She's got it)  
First things first, it's a real body

Born with it, she don't need no practice  
Two first-class tickets just to fit that ass in  
Been through it and she move right past it  
That big body, big money, check your balance, yeah (She's got it)  
She a ten plus three  
Can't buy this honey and that shit ain't free  
Look around you, ain't nobody average (She's got it)  
She turn "can't have it" into a habit, yeah

Walk this walk, you need no boots  
I see myself each time I look at you (She's got it)  
Everything that I need (She's got it)  
Always been so good to me (She's got it)  
Now show me how you do it  
First things first, it's a real body (She's got it)  
You can tell how it move (She's got it)  
It's so goddamn beautiful (She's got it)  
And you need two hands when you hold it  
First thing first, it's a real body

Say, love is blind  
But you gon' see it coming when you find a dime like this  
Babe, don't waste my time  
I could change your whole life, I could make a thug cry  
The way I talk my shit  
Wrapped around my finger, I'ma tighten my grip, oh  
You gonna need two hands when you hold it  
Boy, can't get enough of it, yeah

Walk this walk you need no boots  
I see myself each time I look at you (She's got it)  
Everything that I need (Everything that you need)  
Always been so good to me (She's got it)  
Now show me how you do it  
First thing first, it's a real body (She's got it)  
You can tell how it move (Tell how it move)  
It's so goddamn beautiful (She's got it)  
And you need two hands when you hold it, yeah  
First thing first, it's a real body

Yeah, turn me up, I'm in this bitch with Teddy Swims (Teddy Swims)  
Booty stout, look how I sit up in them Skims  
All I wear is crop tops, you can tell I'm in the gym, yeah  
Shawty trim, made him cut off his BM  
My accent turn them on, they always askin' where I'm from, shit  
You can look me up and find me on thatbitch.com (You feel me)  
Feeling like Mariah, got 'em wantin' to touch my body (Uh)  
Pretty-ass shape, lookin' like I Photoshopped it, hey, hey, on gang, gang

Walk this walk, you need no boots  
I see myself each time I look at you (She's got it)  
Everything that I need (She's got it)  
Always been so good to me (Give you more than most)  
Now show me how you do it  
First thing first, it's a real body (She's got it)  
You can tell how it move (She's got it)  
It's so goddamn beautiful (She's got it)  
And you need two hands when you hold it  
First thing first, it's a real body (She's got it)
