Home is where you go
When you're feeling low
Mum will wash your clothes
Tell you how you've grown

Home

Can't sleep in too late
Bed's got to be made
Breakfast table's laid
Eat you'll waste away

Home

Fall right back into the family embrace
All smiles and good times, well for the first few days
Then you can't wait to go

Home

Home is where you go
When you need to know
Wherever you roam
You can always go
