

Hard Case

Tedeschi Trucks Band

You've got a lot to learn
I've got a lot to lose
Guess I'll hold the candle
Singers of the blues
You're a hard case
To refuse

Call down any witness
Lord I stand accused
I'll be back in business
If they cut me loose
You're a hard case
To refuse

(You're a hard) You're a hard
(Such a hard) Such a hard
You're a hard case to refuse
(You're a hard) You're a hard case to choose
Living a live loving you
You're a hard case to refuse
You're a hard case to refuse

You've got a lot to learn
I've got a lot to lose
Guess I'll hold the candle
Singers of the blues
You're a hard case
To refuse

Lord I've got it in me
What it comes I'm too
Climb that concertina
Come back when your bruised
You're a hard case
To refuse

(You're a hard) You're a hard
(Such a hard) Such a hard
You're a hard case to refuse
(You're a hard) You're a hard case to choose
Living a live loving you
You're a hard case to refuse
You're a hard case to refuse
Hard case to refuse
Hard case to refuse
Hard case to refuse
Hard case to refuse
Hard case to refuse
