

La Di Da

Tedeschi Trucks Band

Oh they're gonna leave you one morning
Oh and it will come without a warning
No matter how hard you try
All you can do is sigh
As the beat of time marches on

La di la, la di day
It don't matter much today
So let's raise our glasses high
To this bittersweet goodbye
And we'll say farewell in the morning

Well I watched you while you were sleeping
And you smiled so big while you were dreaming
You do all that you can
Sometimes it's hard to stand
By and watch you stumble on your way

La di la, la di day
It don't matter much today
So let's raise our glasses high
To this bittersweet goodbye
And we'll say farewell in the morning

La di la, la di day
It don't matter much today
So let's raise our glasses high
To this bittersweet goodbye
And we'll say farewell in the morning

La di la, la di day
It don't matter much today
So let's raise our glasses high
To this bittersweet goodbye
And we'll say farewell in the morning
So let's raise our glasses high
To this bittersweet goodbye
And we'll say farewell in the morning
