

Evictions

Tee Grizzley

(Hit-Boy) Ayy

My fans said that I went missin' (Nah)
No, I just been chillin' (Coolin')
I had to take all this money shit in, you know that I come from eviction (Was poor)
My options used to be limited, go get killed or get a conviction (Either or)
Now my options significant, go get a deal or go independent
I could just cruise or I could start trippin'
Throw it in Corsa and show you my engine (Yeah)
I bought a mansion and let people rent it
The big chandelier hangin' down from the ceiling, yeah (Crazy)
Started back, put my all into it
'Cause niggas ain't puttin' they all into it
And they still got your whole influence (Ayy)
Look at your all into it (Ayy, ayy)

Just paid all my taxes (My taxes)
Writin' off all my assets (All of 'em)
I ain't even know what that meant, had to get an accountant to do my finances (What this mean?)
If it ain't 'bout my passport, I don't need no nigga to stamp me (Fuck 'em)
I brought my mama a lawyer, that shit mean more to me than a Grammy (Yeah)
We get into it damn near every week
But she get a pass, my nigga, she had me (I forgive you)
I brought my girl to the D and let her meet granny, we 'bout to be family (Locked in)
I got my lil' bro driving 'cause he ain't gon' panic when I go to blastin' (Baow)
They come around when they need us, they get the cash, them niggas gon' vanish (Gone)
They get what they need and they leave (They is)
They gon' be back when they need us (They will)
Won't ask nobody for nothing, if you hear me askin', I'm talkin' to Jesus (Talkin' to God, ayy, amen)
If you hear me askin', I'm talkin' to Jesus
Used to have shit so hot that I told my jeweler I wanted to freeze up
I am not a evil person, but shit could get evil, I ain't gon' lie (Facts)
Your mama the reason you livin' (You hear me?)
Don't be the reason she die (You hear me?)
Go get on TV 'cause you niggas characters, man (Characters)
When I ride past, they stare at the Benz
They don't know I used to be sharin' my pants
My watch got how many carats again?
Let me see, enough to make veggies smoothies for the rest of the year
Told you I was the smartest, so if I was you, nigga, I wouldn't test me, you hear?
If I'm beefin' with a nigga (Beefin' with a nigga)
'Cause he on some bullshit with me (He on some bullshit with me)
I just wanna get a peace of mind (Just wanna get a peace of mind)
Just wanna get mine in peace (Wanna get mine in peace)
And if I'm eatin' with a nigga (Eatin' with a nigga)
He gotta keep that shit a bean (He gotta keep that shit a bean)
He gotta know that we a team (He gotta know that we a team)
And when he think of himself, he gon' think of me (Do you hear me?)
(Do you hear me? Do you hear me?)
You hear me?

(Do you hear me? Do you hear me?)
You don't hear me

My fans said that I went missin'
No, I just been chillin'
I had to take all this money shit in, you know that I come from eviction
My options used to be limited, go get killed or get a conviction
Now my options significant, go get a deal or go independent
I could just cruise or I could start trippin'
Throw it in Corsa and show you my engine (Yeah)
I bought a mansion and let people rent it
The big chandelier hangin' down from the ceiling, yeah
Started back, put my all into it
'Cause niggas ain't puttin' they all into it
And they still got your whole influence
Look at your all into it
