

## New Chapter

Tee Grizzley

All that I have left is Your presence  
I need You to hold me up  
'Cause everything I need (Pipe that shit up, TnT)  
You see the destiny (Your light)  
Your heart will set me free  
I see (Damn, Kai, you going crazy)  
You're all I need, I need Your spirit, mm  
I need Your spirit, mm  
Come show me (What I need)  
What I could be

If they want that old shit, I got a whole 'nother flow ('Nother flow)  
Since 2020, I've been gettin' money off the bowls (Money off the bowls)  
I'm south of Europe, with my family jumping off a boat (On a yacht)  
My chains too heavy, barely wear them, they uncomfortable (Ay)  
Spent a hundred bucks on clothes, nigga, this month alone, nigga (This month alone)  
You gon' be home, it won't be long, keep your mouth closed, nigga (Keep your mouth closed)  
Won't never run on you, I never froze with it (Never froze)  
I know your secrets, brother (Know it), I never told niggas  
I'm built for it, one of my mans got killed, uh  
I had to tell his mama (I had to tell his mama), I had to tell his kids (I had to tell his kids)  
It won't make 'em feel better (Feel better), but I got his funeral bill (I got his funeral bill)  
And they weren't on good terms (Ooh), you know she ain't never gon' heal

Some people been through it to the point where they hate life  
I was there before, I thank Christ (I thank)  
Turned their back on me, left me to die  
You niggas know y'all ain't right, uh

I need  
You see the destiny (Your light)  
Your heart will set me free  
I see  
You're all I need, I need Your spirit, mm  
I need Your spirit, mm  
Come show me (What I need)  
What I could be

They want a case, can't make it stick 'cause I know how to move (I know how to move)  
I know how to pray, I'm humble, I know I can lose (I know I can lose)  
Can't speak for niggas, I know what I will and will not do (Will and will not do)  
We don't wake up tryna kill, but you better know we willing to  
And my bitch be tryna fight with me (Tryna fight with me)  
I be avoiding it (Be avoiding it)  
Bae, I've been fighting all my life, let me enjoy this shit  
If money do not make you happy, what's the point of it?  
Your stomach pretty. I might put another boy in it
