

Robbin

Tee Grizzley

Because when I was out here robbin'
You wasn't there, you wasn't there
And when I was out here starvin'
You didn't care, you didn't care
So why do you think it's fair for you
To come around and be apart of what I do
I can tell you niggas love ain't true
Only wanna help me because it can help you

It's sunny now but don't forget that it can rain
Bitch, I still got my rain boots from back in the day
Before the rap, before the plaques, before the steak
I was starvin', me and bro had to split a fish filet
I can't take no breaks, wait
Mar Mar was stuck in a hole, I wish I knew what was wrong
I got money on my phone, I can't wait 'til you come home
Stayed in my bed for a week, when I found out Tracy was gone
Me and them niggas was close, I bet you don't even know

Them niggas done change on me
'Lot of shit got blamed on me
Wonder why these shades on me
So you can't see the pain on me
Cause when I was out here robbin'
You wasn't there, you wasn't there
And when I was out here starvin'
You didn't care, you didn't care
So why do you think it's fair for you
To come around and be apart of what I do
I can tell you niggas love ain't true
Only wanna help me because it can help you

I lost it all, then got it right back
Matter fact I got more than I had, my nigga
When you speaking on my situation
Make sure you don't leave out the facts
You know this shit way deeper than rap, my nigga
Wonder why I keep toasters, nigga
Wonder why I stay focused, nigga
Niggas changed up overnight so I can't get close to niggas and they wonder why I'm antisocial, nigga
Cause they don't understand me
My niggas, these ho's, even my family-

Changed on me
'Lot of shit got blamed on me
Reason why these shades on me
So they can't see this pain on me
Cause when I was out here robbin'
You wasn't there, you wasn't there
And when I was out here starvin'
You didn't care, you didn't care
So why do you think it's fair for you
To come around and be apart of what I do
I can tell you niggas love ain't true
Only wanna help me because it can help you
I done had some niggas change on me

'Lot of shit got blamed on me
Wonder why these shades on me
So they can't see the pain on me

Cause when I was out here robbin' (I was out here robbin')
And when I was out here starvin' (I was out here starvin')
When I was out here robbin' (I was out here robbin')
When niggas was just targets (niggas was just targets)
You was not there (no)
You did not care (no)
Niggas be scared (yes)
Don't shoot in the air (bop)
We be out here lurkin', niggas ain't nowhere (no)
Karma gon' come back, tell her I'm prepared
Cause when I was out here-
