

# All I Ever Wanted

Teedra Moses

You say you want a pretty angel  
But you got me out here living in hell  
You said, "Baby, don't go, don't go"  
And you act like you don't want me here

All I want is to feel free again  
All I need is to get the loving that I give in return

And as bad as I am, the way you treat me  
This don't make no sense, no, baby  
This don't make no sense

I had to get my weight up  
That's what you didn't, know  
I took what you gave and I flipped that  
I can get mine alone  
But all I ever wanted

All I ever wanted was your love  
All I ever wanted  
All I ever wanted was your love  
All I ever wanted  
All I ever wanted was your love

But you gave me your money  
When I gave you my heart  
Now I'm out here getting this money  
So I don't need you no more  
I don't need you no more

ALL I EVER WANTED WAS YOUR LOVE [x3]

Money, my heart  
Now I'm getting money  
I don't need you no more  
I don't need you no more  
I don't need you no more

Talk is cheap and flowers die  
What's the point of your apologies  
If they all end up in lies?

I don't even know why it's so hard
