TEEFLII

He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never
TeeFlii on this mo'fucka

Annie move that ass left and right (Left and right)
Why you here so alone? Put the dress on (Dress on)
I don't need, 'cause girl, you're out of fire
Annie, he the nigga that you got, I'm the one that you (Annie)
He can try but he can't never (He can try but he can't never), never ever (E
ver), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever)

She gon'-She gonna pop that pussy like a real freak
It go boom boom like, boom-boom-boom
Too much tick-tocking, don't forget the clocking
Oh, you know living that lifestyle
Fat ass with a pretty face
Ain't no competition, don't aim me to them other niggas
When we doin' [?] base
No Jodeci, but you're forever my lady
Your make-up on the covers

You got that way in the water
Don't watch me, you gotta watch me your angles (Mm)
We gotta understand it

Annie move that ass left and right (Left and right)
Why you here so alone? Put the dress on (Put the dress on)
I don't need (Don't need a lighter), 'cause girl, you're out of fire
Annie, he the nigga that you got, I'm the one that you (One)
He can try but he can't never (He can try but he can't never), never ever (E
ver), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever)

She like to throw that shit back on me
I can pull out for many
Grabbin' your hair
You be tellin' me to give you more
And we just might go all night all your favorite positions
Everything you need [?]
Then you gon' have to fix them lashes

You got that way in the water
Don't watch me, you gotta watch me your angles (Mm)
We gotta understand it

Annie move that ass left and right (Left and right)
Why you here so alone? Put the dress on (Dress on)
I don't need (Don't need a lighter), 'cause girl, you're out of fire
Annie, he the nigga that you got, I'm the one that you (One)
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever, ever)

He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever)
Annie move that ass left and right (Left and right)
Why you here so alone? Put the dress on (Dress on)
I don't need (Don't need a lighter), 'cause girl, you're out of fire
He can try but he can't never, never ever (Ever), no no, never (Ever) be me
He can try but he can't never, never ever (Ever), no no, never (Ever)
