

## Have A Drink

TEEFII

If you got a drink, or if you got some weed  
Drink up, smoke up

Have a drink, fill your cup  
Tonight it's turnt up  
Cause Annie long gone up

Shut it down, take you down, put it down  
See I'm a shut it down, take you down, put it down  
Yeah, I'm a shut it down, take you down, put it down  
Shut it down, take you down, put it down

Annie, we slow dancing on this floor  
Bottles of Patron, girl you got me on  
Girl don't play around, pop these Molly's with me  
You all on this dick tryna fuck with me  
I, look that pussy eye-to-eye  
We gon' fuck all night  
Stay ready, you ain't gotta get ready, just

I see you Annie, yeah  
You've been patiently waiting, yeah  
I really got the fire, fire and desire  
They cock blocking, let them hate then  
You can't be on my team if you ain't trying to get it in  
Stay with me, I look that pussy eye-to-eye  
We gon' fuck all night  
Stay ready, you ain't gotta get ready, just
