I Can't Stop

TEEFLII

Can I ask you somethin'?
Where'd you get that big ass purse, uh?
Have you heard that new TeeFLii?

You the baddest, gotta have it
Girl that body, you're a model
Kitty, kitty, let me see it one more time
Girl your sex be on my mind
Mike Jack, let me beat it one time
Girl your sex be on my mind
Girl your sex be on my mind

I don't want nobody but you, girl
I remember that you waited
One thing I know, I wanna go [?] to Dubai with you again
Tryna have you face down, ass up
I'm tryna have you bent over, stand up
Hands on your knees, you givin' it up
All that ass you be fuckin' it up

Can't stop thinkin' about it
Girl all your sexy ways
I can't stop thinking 'bout it
You know what it 'bout

You the baddest, gotta have it
Girl that body, you're a model
Kitty, kitty, let me see it one more time
Girl your sex be on my mind
Mike Jack, let me beat it one time
Girl your sex be on my mind
Girl your sex be on my mind

The best thing about me, I got white teeth
Flow unique, been ballin' all week
Seven days, nothin' less you can call me
After the show we can party in the RV
And you scorin', we got big dreams
[?] with palm trees [?] Tiffany
That's a century when I hit the scene
Make it clap, clap, clap, it's a symphony
The low down she gon' go down
I'ma test her vocals, uh
I wanna feel the 808
Legs around my waist you know I can't wait

You the baddest, gotta have it
Girl that body, you're a model
Kitty, kitty, let me see it one more time
Girl your sex be on my mind
Mike Jack, let me beat it one time
Girl your sex be on my mind
Girl your sex be on my mind
