

## Light It Up

TEEFLII

Finally put that money where your mouth is  
Annie make that nigga put in work  
Michael Jackson with all of them [?]  
Calling me daddy, I'm tryna flip em  
Don't give a damn about who you came with  
Cause when you leave, you leaving with me  
You the type that's gon' keep up your figure  
Girl I'm a beast, you missing a picture

I'm a make it rain on her  
I'm a make it rain on her  
Get in there deep for you baby  
I tear that pussy up, bust it, bust it, bust it, bust it  
She around me, she roll my weed up

Light it up  
She light it up, light it up  
Light it up, light it up  
She light it up, light it up  
She light it up, light it up

Ballin' and these niggas muggin in the pussy's hair  
Don't you dummies know money make em twerk  
[?] with these panties and I'm tryna rip em  
These bitches they hear are shit and get turnt  
Be in the club with \$3, 000 jeans on and \$300 shirts  
Bitches they shake they ass and they titties on me, I ain't even gotta flirt

I'm a make it rain on her  
I'm a make it rain on her  
Get in there deep for you baby  
I tear that pussy up, bust it, bust it, bust it, bust it  
She around me, she roll my weed up

Light it up  
She light it up, light it up  
Light it up, light it up  
She light it up, light it up  
She light it up, light it up
