

Light That Blunt

TEEFLII

What's your name?
What's your name?
Hmm, yeah

Kissin' all on me, I'm feelin' on your body
Right before the club girl
I'll never leave you lonely
Don't be actin' like you know me, girl

I'm havin' parties with your body in it, girl
Touchin' your spine you gettin' mad [?] (Yeah)
Light that blunt up and put some smoke in the air, ayy, yeah

Pull up, pick you up
Right before the club
Pull up, pick you up
Right before the club (Uh-uh)
Right before the club (I'll be there)
Right before the club (Yeah)
Right before the club (Yeah)
Pull up, pick you up

You can get it
Damn right any, every second
I'm a man of word
Nevermind you [?] the whole time

Havin' a party with your body, baby, yeah
Turn up, baby you know it
Light that blunt up and put some smoke in the air, ayy, yeah (Yeah)

Pull up, pick you up
Right before the club
Pull up, pick you up
Right before the club (Uh-uh)
Right before the club (I'll be there)
Right before the club (Yeah)
Right before the club (Yeah)
Pull up, pick you up

I'm a man of word
I'm a man of word

Pull up, pick you up
Right before the club
Pull up, pick you up
Right before the club (Uh-uh)
Right before the club (I'll be there)
Right before the club (Yeah)
Right before the club
Pull up
