So whatever it is, girl all you gotta do is (Annie)

Fuck you like a thug do
Now you talkin' love too

Now you talkin' love too
Now you talkin' love
Now you talkin' love
Now you talkin' love
Now you talkin' love
Yeah, yeah, yeah

I can tell you nasty (Woo, ooh)
'Cause you ain't wearin' no panties
All that ass, you draggin' that wavy, girl
Annie don't stop doin' what you doin' to me
Let me fuck you right, let me fuck you right
Got nothin' but time just to fuck you right

Uh, look
Marathon sweat pants on a rainy day (Rainy day)
Slidin' Van Ness in' the 88 (88)
Shawty swing my way, shawty swing my way
The opposite of fake, tell her make way
Yeah, I'm tryna take you places, see new elevations
Know I won't keep you waitin'
Just tell me what you need, I'll be all for it
I'm comin' at 3 when I'm off tour
Let me hit again, that's a encore (Encore)
Keep your heels for the style points
Pour my 42 while I roll a joint

Then I..
Fuck you like a thug do (Hmm)
Now you talkin' love too

Then I..

Fuck you like a thug do (Hmm)
Now you talkin' love too (Right)
Now you talkin' love (That's right)
Now you talkin' love (Ooh, yeah)
Now you talkin' love (Yeah, that's right)
Now you talkin' love (Send my love through UPS)

Ain't no free, ain't no discount

Gotta earn this, hmm
