

Yeah-yeah
Yeah-yeah, Annie, baby
ANNIERUO'TAY 6

This be drivin' us both crazy (Sit back and let 'em take what we need)
Go sit back and let 'em take what we need for us (By us)
And I taught you us (Damn), taught you with applying pressure
But I guess that's what you get for thinkin' (But that's what both of us get
)
You're always in deep and you're only [?] me
I had you on a pedal store so it was hard to take you all
You got all of me (Me), so why are you dissing me? (Uh huh)
That's when let me know you weren't ready, girl (You can shake it)

You can shake it (You can shake it)
But, girl, don't break it (Girl, don't break it)
Why you makin' it (Why you makin' it)
Why you makin' it like this? (For real)
Annie, baby, Annie, baby, Annie, baby, Annie, baby (Annie)
Girl, I taught you this body
All the shit we been through, girl, I taught you this body
And it's fuckin' me up to know you were never solid
No one can't hold you back for what you really love (See, you gotta tell)
All of them lies tellin' 'bout me
Your fuckin' mind is startin' to believe them (Ahh)
We're trustin' each other without closest secrets (That's the real shit)

Now I can't stop my heart from racin'
I can't stop my heart from racin'
It'll happen when I got used to
Now I feel like I even barely know you
Now I can't stop my heart from racin'
I can't stop my heart from racin'
It'll happen when I got used to
Now I feel like I even barely know you
Girl, I can't stop my heart from racin'

Yeah
You remind of everything and everything
ANNIERUO'TAY 6, 6, 6, 6

Everybody see our weakness
They can tell that we been [?]
Tryna live your best life outta lie (Livin')
Like early mornings and late nights [?]
Girl, you feel us only
Girl, you feel us only [?]
As the leader of my team I shoulda know your drill
As captain of this team I shoulda knew that day
Yeah-yeah, yeah-yeah, yeah-yeah
Yeah-yeah, yeah-yeah, yeah-yeah
Remember? Uh huh, O'TAY

You can shake it (You can shake it)
But, girl, don't break it (Girl, don't break it)
Why you makin' it (Why you makin' it)
Why you makin' it like this? (You ain't makin' it no easier)

Even though I taught you this body
Girl, I taught you this body
All the shit we been through, girl, I taught you this body (All this shit we
been through)
Yeah it's fuckin' me up to know you were never solid
No one can't hold you back for what you really love
All of them lies you out here tellin' 'bout me
Your fuckin' mind is startin' to believe them
We are trustin' each other without closest secrets (But you know the real)

Now I can't stop my heart from racin' (I can't stop my heart from)
I can't stop my heart from racin'
It'll happen when I got used to
Now I feel like I even barely know you
Now I can't stop my heart from racin' (I can't stop my heart from)
I can't stop my heart from racin' (I can't stop my heart from)
It'll happen when I
Now I feel like I even barely know you (Oh yeah yeah yeah yeah)
Yeah, yeah
Yeah

You can shake it (You can shake it)
Ey-yeah
Girl, don't break it
Why you makin' it
You can shake it
Girl, don't break it
Why you makin' it
Why you makin' it like this?
Woah
You can shake it
Girl, don't break it
Why you makin' it
You
TeeFlii on this mo'fucka
You could be anywhere in the world (You could be anywhere)
But you here with me, baby
(Why you makin' it)
(Why you makin' it)
You better sing, nigga
