

Slow

TEEFLII

I understand why y'all wanna rap this shit
I get it
Excuse my liquor
But you know, it come that time when you with that fire motherfucker
And you need that shit like...

Turn me up, don't turn me down
Turn me up, don't turn me down
Girl, you cookie got that magic
TeeFlii
I need it girl, I know your wishes (I, girl, know your wishes)
'Cause you tell me all your wishes baby (give 'em that shit)
I need you to wanna let go
And you just wanna hold me close
I need you with it, I need you with it (I need you with it girl)
I need you with it (I know you're with it shawty)
Let go...

You live in the sky (you live in the sky)
You believe in flying (you believe in flying)
Made me a believer
Shit...
Drop it low then bring it up slow (drop it low)
Bring it up slow (bring it up)
Bring it up slow, bring it up slow (bring it up slow)
Bend over, touch your toes
Touch your toes
Bend over, touch your toes
Touch your toes (I need you girl)
You got a body like a model
You remind me of a model
The way you drop it low then bring it up slow
Bring it up slow (bring it up slow, slow, slow, slow)
Bring it up slow (shit, I get it)
Bring it up slow
Bring it up slow, bring it up slow
Let go...
Bring it up slow, bring it up slow

It's Eazy...
I swear this shit right here it closet
They gon' need this automatic
It's sophisticated ratched
Leave the way, I'll work my magic
Soon as I throw it up (it up)
Money disappear
Soon as I whipple up (pull up)
Will be outta here (skrr)
And Imma give you tip all night long
Deep in the way you drop it low then bring it up slow
Bring it up slow, bring it up slow
(bring your way up, way up) bring it up slow
Bend over, touch your toes
Touch your toes
Bend over, touch your toes (uh baby)
Touch your toes
You got a body like a model (like a model)

You remind me of a model
(the way you drop it low) then bring it up slow
Bring it up slow, bring it up slow

Bring it up slow, bring it up slow
This gon' be your favorite...
Bring it up slow, bring it up slow
Song... (YFS)

You got a body like a model
You remind me of a model
You got a body like a model
You remind me of a model
Let go...

Poppin' like it's your birthday
Let go...
Poppin' like it's your birthday
Let go...

You that bad, it's out your [?]
Bring it up slow, drop it low then bring it up slow
Bring it up slow, bring it up slow
Bring it up slow, bring it up slow

TeeFlii
Bend over, touch your toes (touch your toes, touch your toes)
Bend over, touch your toes (you got a body) (kill that shit)
You got a body like a model (you remind me of a model)
You remind me of a model
(The way you drop it low then) bring it up slow
Bring it up slow, bring it up slow
Bring it up slow, bring it up slow
Bring it up slow, bring it up slow
