

U Can Get It

TEEFLII

Fireworks...

I want every Annie in this bitch

Swingin' you hair, got a nigga all on you

We can do whatever right here

Cause all I know is Annie you're a baddie

You can get it, you can get it, you can get it, yeah

You can get it, you can get it

Yep girl, Annie girl

You can get it, you can get it, you can get it, yeah

You can get it, you can get it, you can get it Annie girl

Annie I'm feeling the same way you feeling

You know your body wanna go ahead and do it

See, women lie, men lie, numbers don't

I fuck your body every way

I be turning hood niggas all on to you

Girl, tonight I'm a be the one you ride

You showing me that you with it

You let me see you get with it

Annie girl you ain't playing, up in this club

Girl you got a nigga mind racing out of control

Tonight we can be trading places

Annie girl let me know

Tryna get you in my bed, yeah yeah

Your eyes rolling to the back of your head

Damn, face, Cassie

Bad bitch and she do tricks, classic

In a one piece catsuit, Halle

That's why I love summertime out in Cali

Yeah, certified baddies, knock 'em all down, domino rally

Hit a West Coast nigga with the addie

Cause I'm tryna put the mayonnaise on your patty

Cause' you can get it

And that's word to the motherfuckin' crown on a fitted

Cause' Annie if you with' it you can have this cowboy runnin th
rough your hole like [?] ho
