

Enrgy made this one

Perc-10 in my system, I'm so high
If a little nigga run up on me, he gon die
How much money have I blew on drugs, its been a lot
If I don't do anything else, I'ma get a knot
I didn't really like going to school, I took a different route
I got sent the wrong address, I shot the wrong house
Fucking this bitch too hard, I had to take my dick out
Little nigga just went broke, he trying to hit a lick now
I'm bout to spend my last 500 on a bitcoin
You can't handle the pressure you hanging with the big boys
Lot of these niggas want to beef cause I got big toys
He thought it was a percocet, I sold his ass some steroids
Ran out of backwoods, I got to make a store run
How the fuck is you gon rob me without no gun?
If it ain't God, I'm not scared of no one
He think he the first to hit that bitch but I know her
I got to find the drugs because I hate being sober
My grass too high, I got to cut it, too many cobras
My chain be hitting like damn too many colors
My bitch too bad like damn, "Who her mama?"
I looked inside my bank account, it got a lot of commas
You ain't really slime, you just an anaconda
I mean, this little nigga just a snake
I don't fuck with my uncle cause he got charged with rape
A opp said he wants some smoke, now the cake is baked
You keep saving bitches, nigga where is yo cape?
Just slapped my little cousin, cause he got bitch traits
This nigga got bitch ways
I don't know what's wrong with him but I'm bout to see about it
Just pulled up on a opp crib, they bout to read about it
I'm bout to put him on the news
This wads inside my pocket, man it's so many blues
I'm bout to get this bank account and drop it with this fool
These niggas fucked up, they can't even buy they own food
I just fucked this bitch then she sent me a few nudes
I was like damn you cute but I ain't really into you
She think that I'm famous because I got videos on YouTube
But that ain't even the case, I got more money than I got views
Hide the evidence so the police can't find clues
I just scammed a white actor, it was Tom Cruise
Look my net worth up on Google and times it by five
Little nigga keep falling off, he on the side line
You can't get my fraud bible free, you got to buy mine
Why they keep saying my hairline look like Lebron
But I ain't really tripping, cause I'm bout to have more money than Lebron
All you do is worry about bitches, not dollar signs
I talked to the bitch that you fucked, she said you lied
They said you broke, if you ain't showing me money, I ain't thinking otherwi
se
I got so many different bitches, but you got to bribe boy
Yo bitch said she stopped fucking with you cause you be telling lies
Yeah I got this fire ass method, but I ain't selling it
This bitch cough is so damn hard, she barely inhaled that shit
