

BANK SAUCE

TeejayX6

Helluva made this beat baby

Trying to see if it's going to pop, I hit the Wells Fargo out in Cali

Soon as she handed me the money, put a smile on my face, I was happy

Cutting to her like "Ma'am, can I please get all hundreds?"

Came up on the bank sauce, so I had to put my dogs on it

Middleman for BOA, and I made a 10-ball from it

100 rounds, how you gonna run from it?

Brung my computer, download onion on it

And take my shit, put my money on it

Bout to take the bitcoin, and it's loaded

This nigga hit the stand and folded

20 on me, I can't even fold it

Making plays off a motorola

Doing the dash, I done blew the motor

Boas on me, you can smell the odor

Went to school, I ain't need my folder

All I needed was my strap cause them pussy niggas was hating on me

Brung 10, 000 to school, nobody took it from me

30 tied up in the rubber band, shit look like a book

Send my bitches out the kitchen, cause I do not know how to cook

Police trying to build a case, saying I'm an internet crook

Clicked on a dark web link, somebody was trying to sell their foot

Niggas got bad aim, so I ain't even gotta duck no mo

30 on the trackhawk, but he ain't even in that truck no mo

Invested 500 and got Lil Terrio promo

Invested 5000 and got Lil Boosie page post

Stacking all my money, this shit looking like some Legos

Woke up in the morning, pour some lean on my eggos

I need to get on Maury, I got nine bitches preggo

Was mad and tried to suffocate myself between four pillows

Juuged the Smith family, it was Jaden and Willow

10, 000 on a outfit, he got a jumpsuit from Kenzo

All this shit off my head, I don't need a pencil

She said she tired of her nigga cause he got a little pencil

And he claim he getting money but he never want to spend it

Used a rich dude's credit card without permission

My nigga said he seen a opp, I told him kill him expeditiously
